

LUBEX PRIMUS MV-LA 5W-30

HIGH PERFORMANCE FULLY SYNTHETIC MOTOR OIL

PRODUCT DESCRIPTION

It is the high performance fully synthetic motor oil developed with Low-SAPS (Sulphated ash, Phosphorus and Sulphur) formulation with low emission system (DPF, SCR). It is suitable for use in gasoline, passenger diesel and light commercial vehicles.

APPLICATION/ USAGE

It is suitable for use in passenger cars that meet Euro 4, 5 and 6 emission standards requirements. It can be used with all natural aspiration, diesel particulate filter, pump-diesel injector, turbocharged and multi-valve engines working with gasoline, passenger diesel and LPG. It is suitable for 4-wheeler modern passenger cars such as SUVs.

ADVANTAGES/ BENEFITS

- Provides high protection against wear and corrosion by high performance additives and high technology synthetic base oils,
- Increases engine performance by providing maximum efficiency from fuel and provides fuel saving up to 1.7% by its low friction and oxidation performance, *
- It has superior cleaning power and excellent engine protection against sediment and soot formation. Protects the engine even in heavy road and climate conditions.
- It extends the life of exhaust emission systems (DPF / GPF / SCR / TWC) with low ash, phosphorus and sulphur structure and protects the environment.
- Thanks to its high fluidity property, it creates a

durable oil film at any temperature and minimizes the level of wear occurring during engine start-up and heating.

SPECIFICATIONS/ APPROVALS

API SN
ACEA C2, C3
BMW LL-04
FIAT 9.55535-S1
GM Dexos 2
MB Approval 229.52
MB Approval 229.51
MB 229.31
PSA B71 2290

STORAGE

Protect from direct sunlight and rain. Store in the original closed drums and in covered areas. Storage temperature must be between (+5)-(+40)°C.

HEALTH AND SAFETY

This product is unlikely to present any significant health or safety hazard when properly used in the recommended application. Used or waste product should not be allowed to contaminate soil or water. Used or waste product should be disposed of in accordance with local regulations. For further guidance on product Health and Safety refer to the appropriate Material Safety Data Sheet.
