

LUBEX RAPIDUS 4T SCOOTER 10W-40

FOUR STROKE SCOOTER MOTORCYCLE OIL

PRODUCT DESCRIPTION

It is the high performance four-stroke scooter motorcycle oil, produced by using high-quality mineral and synthetic base oils with its exclusive additives.

APPLICATION/ USAGE

Specially developed for new generation four-stroke scooters.

ADVANTAGES/ BENEFITS

- Its superior oxidation stability provides a reliable and uninterrupted lubrication performance by resisting sludge formation.
- It builds a durable oil film during all driving conditions, and protects the engine against wear during cold-start and severe climate conditions.
- Its detergent-dispersant additives helps to clean soot and sludge formed during combustion and prolongs the engine life.
- Its special formulation provides low oil evaporation that helps to reduce the oil consumption.

SPECIFICATIONS/ APPROVALS

API SL/CF
JASO MA

STORAGE

Protect from direct sunlight and rain. Store in the original closed drums and in covered areas. Storage temperature must be between (+5)-(+40)°C.

HEALTH AND SAFETY

This product is unlikely to present any significant health or safety hazard when properly used in the recommended application. Used or waste product should not be allowed to contaminate soil or water. Used or waste product should be disposed of in accordance with local regulations. For further guidance on product Health and Safety refer to the appropriate Material Safety Data Sheet.

TECHNICAL PROPERTIES	TYPICAL VALUES	TEST METHOD
SAE Viscosity Class	10W-40	-
Kinematic Viscosity (100°C, cSt)	14,5	ASTM D 445
Viscosity Index	150	ASTM D 2270
Flash Point (°C)	220	ASTM D 92
Pour Point (°C)	-27	ASTM D 97
TBN (mgKOH/g)	6,0	ASTM D 2896

"The above information is derived from our quality checks. Given values are typical of current production. While future production will conform to our specification, variations in these characteristics may occur. Quality Control Analysis Report for to learn properties of the product that is supplied can give. It does not relieve the purchaser from examining product upon delivery and gives no assurance of the product for any particular purpose. Due to continual product research and development, the information contained herein is subject to change without notification."
